The apparatus, constructed in accordance with the description contained in the document filed as this Certificate has been subjected to the series of proving tests in accordance with IEC 60479-2 (2005-03).

The results of the tests carried out fulfil the requirements of the relevant parts of EN 61010-1 (2012-05), according to sub. 10.1 of EN 61010-1 (2010-03).

The results are shown in the attached document according to AENI procedures. The values obtained and the general performance are considered to comply with the above standards and to justify the characteristics assigned by the manufacturer as stated in the following:
