The apparatus, constructed in accordance with the description mentioned in the Introduction listed on this Certificate has been subjected to the series of proving tests in accordance with the [20] and [21] CFR-103.

The results of the tests carried out fulfil the requirements of the relevant parts of UNE 44004 (2003-05), according to sub. 9.1 of UNE 44004-1 (2003-05).

The results are shown in the attached documents according to A6.5.6 procedures. The values obtained and the general performance are considered to comply with the above threshold(s) and to partly the characteristics assigned by the manufacturer as stated in the following:
