The apparatus, constructed in accordance with the description outlined in the document, filed by this Certificate has been subjected to the series of testing tests in accordance with 28C 1003.1-1003.100.

The results of the tests carried out fulfil the requirements of the relevant parts of EN 61479-4 (2011-09), according to sub. 10.3 of EN 61479-4 (2011-09).

The results are shown in the attached documents according to ACME provisions. The system checked and the general performance are consistent in comply with the above functionality and in partly the characteristics assigned by the manufacturer as stated in the following:
